NOTICE OF TERMINATION INSTRUCTIONS for DEQ-WATER FORM SWGP-VAR05-NOT VPDES General Permit for Industrial Activity Stormwater Discharges (VAR05)

WHEN SHOULD A NOTICE OF TERMINATION BE FILED?

A VPDES General Permit Notice of Termination may be submitted when an owner no longer wishes to be covered under the VPDES General Permit for Stormwater Discharges Associated with Industrial Activity (VAR05).

Section 1 Facility Owner Information

Give the legal name of the person, firm, public organization, or other entity that owns the facility or site described in this Notice of Termination and was issued the general permit for the facility. The name of the owner may or may not be the same as the name of the facility. Do not use a colloquial name. Enter the complete address, phone number and email address (where available) of the owner.

Section 2 Facility Location Information

Enter the facility's or site's official name and complete street address, including city, state and ZIP code.

Section 3 Permit Information

Enter the existing VPDES Stormwater General Permit number assigned to the facility or site identified in Section 2.

Section 4 Reason for Termination

Check the appropriate statement indicating the reason for submitting this Notice of Termination.

Section 5 Certification

State statutes provide for severe penalties for submitting false information on this Termination Notice. State regulations require this Notice of Termination to be signed as follows:

For a corporation: by a responsible corporate officer. For the purpose of this section, a responsible corporate officer means: (1) A president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy- or decision-making functions for the corporation, or (2) the manager of one or more manufacturing, production, or operating facilities provided the manager is authorized to make management decisions which govern the operation of the regulated facility including having the explicit or implicit duty of making major capital investment recommendations, and initiating and directing other comprehensive measures to assure long term environmental compliance with environmental laws and regulations; the manager can ensure that the necessary systems are established or actions taken to gather complete and accurate information for permit application requirements; and where authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures;

For a partnership or sole proprietorship: by a general partner or the proprietor; or

For a municipality, state, Federal, or other public facility: by either a principal executive officer or ranking elected official.

<u>The Department of Environmental Quality reserves the right to request additional information not directly</u> addressed by the Notice of Termination if, in its discretion, a facility or operation poses a potential impact on water quality.
